**Globe Building**
The Globe Building has over 400 parking spaces in our 2 level, below grade, parking garage. The parking will be free. We will have attendants on site to direct people to the parking garage, which is entered from the north side of our building. We will also have attendants inside the garage to direct people once they get inside. Our people on site will be directing people to the Globe garage as long as spaces are available inside.

**Metered Parking**
There are a substantial number of metered parking spaces available within 2 blocks of the Globe. Metered parking spaces cost $1.50/hour, but stop charging for parking at 7pm. The meters accept coins and credit cards.

**Lot A - Lot at Tucker and Convention Plaza**
S&H Parking operates an 80 space self-park lot at the northwest corner of Tucker and Convention Plaza, catty corner from the Globe Building. It should be almost entirely open by 6pm on a Wednesday. Parking is $2.00 for the evening. Payment is in cash at a pay box on the lot. There is no parking attendant present on the lot.

**Lot B - Lot at 11th and Washington**
There is a self-park parking lot at the intersection of 11th and Washington, at the southeast corner of the Globe, that has 60 spaces. The parking charge is $6.00 for the evening. The parking terminal there accepts credit cards. There is no parking attendant present on the lot.

**Lot C - Lot at 11th and Convention Plaza**
This is a roughly 200 parking space lot at 11th and Convention Plaza, just east of the Globe. It is a self-park lot with a credit card enabled pay station. Evening parking should be $5.00. There is no parking attendant present on the lot in the evenings.

**Lot D - Lot at Tucker and St. Charles.**
This is a roughly 200 parking space lot at Tucker and St. Charles, about a block and a half south of the Globe's main entrance. It is a self-park lot with a credit card enabled pay station. Evening parking should be no more than $7.00 (at $2.00 per hour with a cap). There is no parking attendant present on the lot in the evenings.
